USER'Sguide

PREVIEWSworld**.com**

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toy and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of *PREVIEWS*, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
- 0 = No International Rights restriction;
- 1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
- 0 = No Content disclaimer;
- 1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
- 0 = Product will ship according to schedule;
- 1 = Product may ship an additional 60 days beyond scheduled ship date;
- 2 = Additional 90 days beyond scheduled ship date;
- 3 = Additional 120 days beyond scheduled ship date;
- 4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

EDITOR'S note

GIVING THANKS (YEAR FIFTEEN)

Being that it is November, and Thanksgiving is right around the corner, its time once again for me to take stock and give thanks for another year here behind the Editor's desk at ***PREVIEWS***. I've been at this post for 15 years now, 22 years in all working on ***PREVIEWS***, and as always it's a been a blast. Having a steady job that keeps you busy, working with people you enjoy being around, is plenty enough to be thankful for in these trying times. So, in addition to my continuing duties here as your host, I give my random thanks for *other* stuff...

- I am *thankful*... for the opportunity to return to my parents' homeland of Germany this past summer with my mom, to re-connect with my relatives there!
- I am *thankful*... as always for the ***PREVIEWS*** editorial and design teams, the most talented folks I've ever had the pleasure to work with!
- I am *thankful*... for my West coast pals Andy, Jackie, Chris, Joe, Dwayne, Rob, Ross, Mike, and J.W.!
- I am *thankful*... for my East coast pals Jeff, Mike, Tom, Rich, Mikey, Scott, Dave, Vince, and Michel!
- I am *thankful*... for Zombies coming to TV!
- I am *thankful*... that I have good friends who feed me turkey every year!

And most of all, I am thankful for you, our faithful readers. We try our best each month to bring you a few hundred pages of cool stuff, and maybe a few chuckles along the way. Hopefully we succeed each month, because it's all of you that make this worthwhile.

Wherever you may find yourself this month, Happy Thanksgiving to you and all of yours!

Your Pilgrim Pal @ ***PREVIEWS***,

Marty

Give Thanks

THE X-MEN WILL NEED A WALLCRAWLING ALLY THIS JANUARY

For long years, the X-Men have lurked in the shadows of the Marvel Universe. As representatives of *homo superior*, the next stage in human evolution, mutants like the X-Men were hated and despised by the world's populace. Discriminatory laws were passed, pogroms were instigated, all aimed at shunning and containing the mutant "menace." The mutant gene, which once looked to become prevalent in the gene pool, dwindled away in the wake of *House of M*, and the X-Men, who had positioned themselves as the secret defenders of humanity from those mutants who would seek to dominate the world, became the defenders of a species nearing extinction. Needing new vistas and a new base of operations, the X-Men turned west, relocating to San Francisco where they could live openly, even accepted, by humankind. This January, the X-Men will find a new mission and a new purpose in the second *X-Men* story arc, "Protect and Serve."

Following on the heels of a vicious battle between mutant factions in *Second Coming* and the struggle to save the world from a grave vampiric menace, both at great cost to themselves, in the debut arc of Victor Gischler's *X-Men* series, Cyclops and the X-Men have decided to take a more pro-active and visibly heroic stance so that the X-Men can stand proudly and publicly with other groups like the Avengers or the Fantastic Four. When news comes of strange doings in New York, Cyclops dispatches Storm and a team to the Five Burroughs to investigate and assist. Something lurks beneath Manhattan, and it will take a special ally — Spider-Man — for the X-Men to combat the menace from below

"Protect and Serve" begins in January's *X-Men* #7 with Victor Gischler continuing his best-selling run on Marvel's mutant heroes. Gischler is joined by *Dark Reign: Sinister Spider-Man* artist Chris Bachalo for this story arc that redefines the X-Men and their role in the larger Marvel Universe. Out of the shadows and into the light, the X-Men find their place in Marvel's new Heroic Age, and it all begins in *X-Men* #7. Don't miss out!

Zombies. Robots. Both touch on primal human fears, one the loss of control over one's own body, the other of the created upon the creator. Their eternal struggle, chronicled in Chris Ryall and Ashley Wood's *Robots Vs. Zombies* threatens all of creation, and it will take an unlikely alliance of heroes — Captain Kirk and the crew of the *USS Enterprise*, Optimus Prime and the Autobots, Dr. Peter Venkman and the Ghostbusters, Duke and the G.I. Joe team — to contain the damage and save the universe in *Infestation*, IDW Publishing's long-awaited crossover event!

Writers Dan Abnett and Andy Lanning team with *Star Trek* art veteran David Messina for an oversized issue that kicks off with the the battle between zombies and robots that rips through the fabric of reality itself! Soon, the worlds of *Star Trek*, *Transformers*, *Ghostbusters*, and *G.I. TITAN'S *DOCTOR WHO* BUSTS ARE TRULY EPIC

In 2005 the BBC relaunched their venerable science-fiction franchise *Doctor Who*. Expecting a minor niche series, the series outperformed all expectations and became a worldwide phenomenon. Now approaching its sixth season, *Doctor Who* continues to thrill millions with its adventures of the Time Lord known as the Doctor, now portrayed by the eleventh actor to essay the role, Matt Smith, and his companion Amy Pond, portrayed by Karen Gillan.

Titan launches a new line of collectibles this March with their *Doctor Who Mini-Busts*. The first two releases — Smith's Eleventh Doctor and Gillan's Amy Pond — are beautifully sculpted at 8" tall, with authentic likenesses and costuming taken from the series. The line will continue in the months to come as Titan draws upon the long and rich history of the series, and no Whovian will want to miss this opportunity to begin this breathtaking collection!

IMAGE COMICS OFFERS READERS AN ECLECTIC SELECTION THIS JANUARY

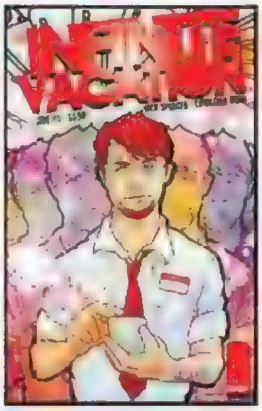
Image Comics solidifies its position as one of comics' most eclectic publishers this January with four new series debuts that run the gamut from modern-day espionage to phildickian adventure.

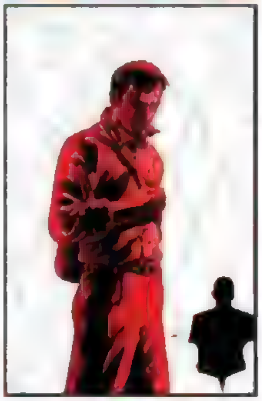
Nick Spencer, the writer of Image's *Morning Glories*, teams with *Olympus* artist Christian Ward for an adventure that stretches beyond conventional reality — *The Infinite Vacation*. Imagine an infinite number of yourself, in universes just like this one but slightly different due to different decisions by yourself and others. Mark lives in such a world, and in that world anyone can slide from one reality to the next. But when he discovers that his alternate "other" selves are dying, his days may be numbered!

Small-town America. Apple pies, flags fluttering the breeze, picket fences, afternoon baseball. This is Lowesville, the setting of Ben McCool and Nikki Cook's *Memoir*, and it's an idyllic town. Until one morning, Lowesville is anything but idyllic. No one knows who they are or where they are. Their memories, gone. One man, however, remembers, and the secrets he knows the story he holds will determine the fate of a town.

The secret to being an assassin is to be hidden, unseen. No one does this better than Jon Moore, and there is no one more sought-after in the criminal underworld than he. Moore has a secret ace in the hole, a psychic who is both unseen and keeps him unseen. But when a job goes wrong and assassins are gunning for Moore, people will be asking the question — *Who is Jake Ellis?* This twisty espionage thriller comes to you courtesy of Nathan Edmondson and Tonci Zonjic.

Finally, Top Cow Productions unveils their latest Pilot Season winner — *Twilight Guardian*. The winner of the 2008 Pilot Season, *Twilight Guardian* features the return of creator Troy Hickman to the tale of an urban vigilante finding her own brand of justice. Joined by artist Siddhart Kotian, this four-issue series is certain to be one of January's most-talked about books!





FOUR NEW SERIES DEBUTS WILL SATISFY ANY READER, WHETHER ITS REALITY-BENDING SCIENCE-FICTION OR SUPERHEROICS YOU CRAVE!

DARK HORSE COMICS

Twenty-five years ago Oregon comics shop owner Mike Richardson began publishing Dark Horse Comics Presents, a black and white anthology of new and indie creators. From small seeds, great trees grow, and Dark Horse Comics Presents was that small seed, a book that brought creators like Paul Chadwick and Chris Warner to the fore of the comics industry, establishing the company as a major force in the industry and giving rise to the big tree of Dark Horse Comics.

As the years passed, Dark Horse became a haven for creator-owned work such as Mike Mignola's *Hellboy* and Frank Miller's *Sin City*, a force in licensed comics with *Aliens*, *Predator*, *Star Wars*, and *Buffy* entering their portfolio, and they were one of the leaders in bringing manga, such as *Lone Wolf and Cub* and *Oh My Goddess!*, to American readers. Dark Horse became a home for creators such as Matt Wagner, P. Craig Russell, and many others, and they pioneered high-end statues and other merchandise tailored to the collector.

A quarter-century after its founding, Dark Horse looks to the future by paying tribute to the past. In addition to limited commemorative covers for some of the publisher's top books, Dark Horse is launching innovative new series throughout the year from old favorites and future stars.

Join with *PREVIEWS* and Dark Horse Comics in the coming year as we celebrate the silver anniversary of this innovative publisher!

THE INNOVATIVE PUBLISHER OPENED THEIR DOORS TWENTY-FIVE YEARS AGO, AND IN 2011 DARK HORSE COMICS AND PREVIEWS WILL PAY TRIBUTE TO THEIR AMAZING RUN.

ENTER THE WORLD OF *TRON* WITH ELECTRIC TIKI'S STATUE 368

Trapped within the computer by the Master Control Program and its vile agent SARK, arcade owner Kevin Flynn must find TRON, the heroic system security program and the only one who can stop the MCP's madness, and help him destroy the injustices that have been inflicted in both the real and virtual worlds. Disney's 1982 film was one of the first fictional explorations of the cyberworld, and the titular hero is incarnated by Electric Tiki as the 14" tall *TRON Statue!* Based on actor Bruce Boxleitner's appearance, this statue features a stunning black light paint application and a movie-logo base.

CALL FORTH THE LIGHTNING WITH MATTEL'S SHAZAM! RETRO FIGURE 344

Summon the thunder this winter and feel the power of SHAZAM! with Mattel's *World's Greatest DC Heroes: SHAZAM! Retro Action Figure!* When cub reporter Billy Batson utters the word "SHAZAM," a bolt of mystical lightning transforms him Captain Marvel, the World's Mightiest Mortal. With a design based upon the classic and collectible MEGO figures of the 1970's, Mattel's *World's Greatest DC Heroes* figures take the iconic heroes and villains of the DC Universe and transform them into 8" tall figures complete with cloth costumes. Collect *SHAZAM!* and the other releases in the third wave of retro-styled figures, offered this month!

AN ACTION FIGURE LEGEND IS REBORN WITH THE GO-LION FIGURE 340

The *Shogun Warriors*, the popular line of giant robot action figures, return this winter with the *Shogun Warriors: Go-Lion Figure!* Familiar to millions of Americans thanks to the 1980's classic *Voltron: Defender of the Universe*, the Go-Lion debuted in the Japanese anime *Beast King GoLion* and was notable for its ability to break apart into five separate leonine robots, bonded to human pilots. This *Shogun Warriors* release recreates the Go-Lion as a limited edition, 2-feet tall figure that no fan of *Beast King GoLion* or *Voltron* will want to miss!

368 BATTLE AWAITS WITHIN *TRON*'S CYBERSPACE FOR KEVIN FLYNN

Over twenty-five years ago Disney forecast the world of cyberspace with the visionary film *TRON*. Arcade owner Kevin Flynn was transported into the world of the machine, where he was challenged by the depraved security program SARK and assisted by rebellious program TRON. Kevin Flynn, who became the program CLU, is brought to life by Disney animator Ruben Procopio for Grand Jester's *TRON: Kevin Flynn Mini-Bust*. As sculpted by Dave Cortes, this cybernetic hero portrayed by Jeff Bridges stands 8 1/2" tall and will enliven the collection of any Disney fan!

371 KOTOBUKIYA BRINGS WONDER WOMAN TO SENSUOUS LIFE

Batman. Superman. Wonder Woman. Separately, they are powerhouses in their own right. Together, these three heroes are DC Comics' legendary trinity of heroes. This winter, Kotobukiya brings one of that trinity to life as the *DC x Bishoujo: Wonder Woman Statue!* Designed by Final Fantasy artist Shunya Yamashita, the Amazonian princess is given a bishoujo makeover that emphasizes the sensuality of this dynamic hero. Standing 9 1/8" tall, Wonder Woman is surrounded by archaic weapons with her Lasso of Truth in her hands. The power at her disposal is readily apparent and will captivate any DC Comics fan!

337 SUBJUGATE THE UNIVERSE WITH DIAMOND SELECT'S HALO: PROPHETS MINIMATES SET

Humanity's expansion into the cosmos turned tragic when, in deep space, human ships encountered the alien Covenant. Hope for peaceful relations turned to ashes when the Covenant unleashed a genocidal campaign to destroy humanity at the behest of their leaders, the High Prophets. These mysterious aliens can be yours with the *Halo: Prophets Minimates Set*, comprised of 2" tall figures based on Microsoft's best-selling *Halo* video games. This limited release will be the only release of these characters, and they come packed with a Minimate of humanity's savior — *Spartan-6!*

25 YEARS YOUNG

You may have heard that 2011 marks Dark Horse Comics twenty-fifth anniversary—a landmark which only a tiny handful of comics publishers have ever reached. Though, while Dark Horse is "old" in industry terms, we're still feeling our oats and we're getting ready for a year-long celebration!

We have new titles and new series lined up, contests and promotions in the works, a few fond looks back planned and some exciting peeks at where we're going are in the offing. You'll be seeing a new look for everything from our website to our Previews pages as we embark on a full-scale invigoration of everything Dark Horse!

As a part of that celebration, we're choosing a different title each month to feature a special 25th Anniversary variant cover, for a total of twelve in all. These variant editions will be printed on heavy 8-point stock, and the art will be presented "naked"—without title/logo, price box, or bar code—except for a silver foil emblem denoting twenty-five years of Dark Horse Comics.

For every ten copies ordered of the featured comic each month, retailers will receive a free copy of the variant edition. Consumers are urged to contact their local comics specialty shop about obtaining copies these very limited variant editions.

To kick off the program (as you can see below), we have a stunning Darth Vader variant cover by Douglas Wheatley to go along with issue #1 of *Star Wars: Darth Vader and the Lost Command*. Future variant covers include *King Conan: The Scarlet Citadel* #1, by painter Gerald Parel, and a variant for Stan Sakai's *Usagi Yojimbo* #136 by the creator himself. Additional covers will be announced each month! Pick your favorite, or collect all twelve!

DARK HORSE ARCHIVES
DOCTOR SOLAR
MAN OF THE ATOM
Solar protects a terrified world from power-hungry evils!
VOLUME TWO
By PAUL S. NEWMAN & FRANK BOLLE | Foreword by JIM SHOOTER

DOCTOR SOLAR,

MAN OF THE ATOM VOLUME 2

Paul S. Newman (W), Frank Bolle (A), and George Wilson (A)

On sale Mar 23	TC, 216 pages
$19.99	TPB, 7" x 10"

Physicist Phillip Solar survives a nuclear accident that forever changes his life by transforming the very molecules in his body! Absorbing a dangerous amount of atomic radiation, Doctor Solar finds himself endowed with incredible powers over matter and energy. In the classic 1960s stories created by Paul S. Newman and Frank Bolle and reprinted in this volume, Solar finds his mysterious powers changing and evolving, faces threats to those close to him, and continues to fight the deadly, world-threatening machinations of the archcriminal Nuro! When dangers and disasters threaten the innocent, Doctor Solar flies into action!

- **This volume collects issues #8 to #14 of the original 1960s comic-book series *Doctor Solar, Man of the Atom*, including all original series covers, a bonus Science of Solar section, and retouched interiors.**
- **One of Dark Horse's first archival collections—now available in an affordable softcover edition!**
- **Foreword by modern *Doctor Solar* writer Jim Shooter!**

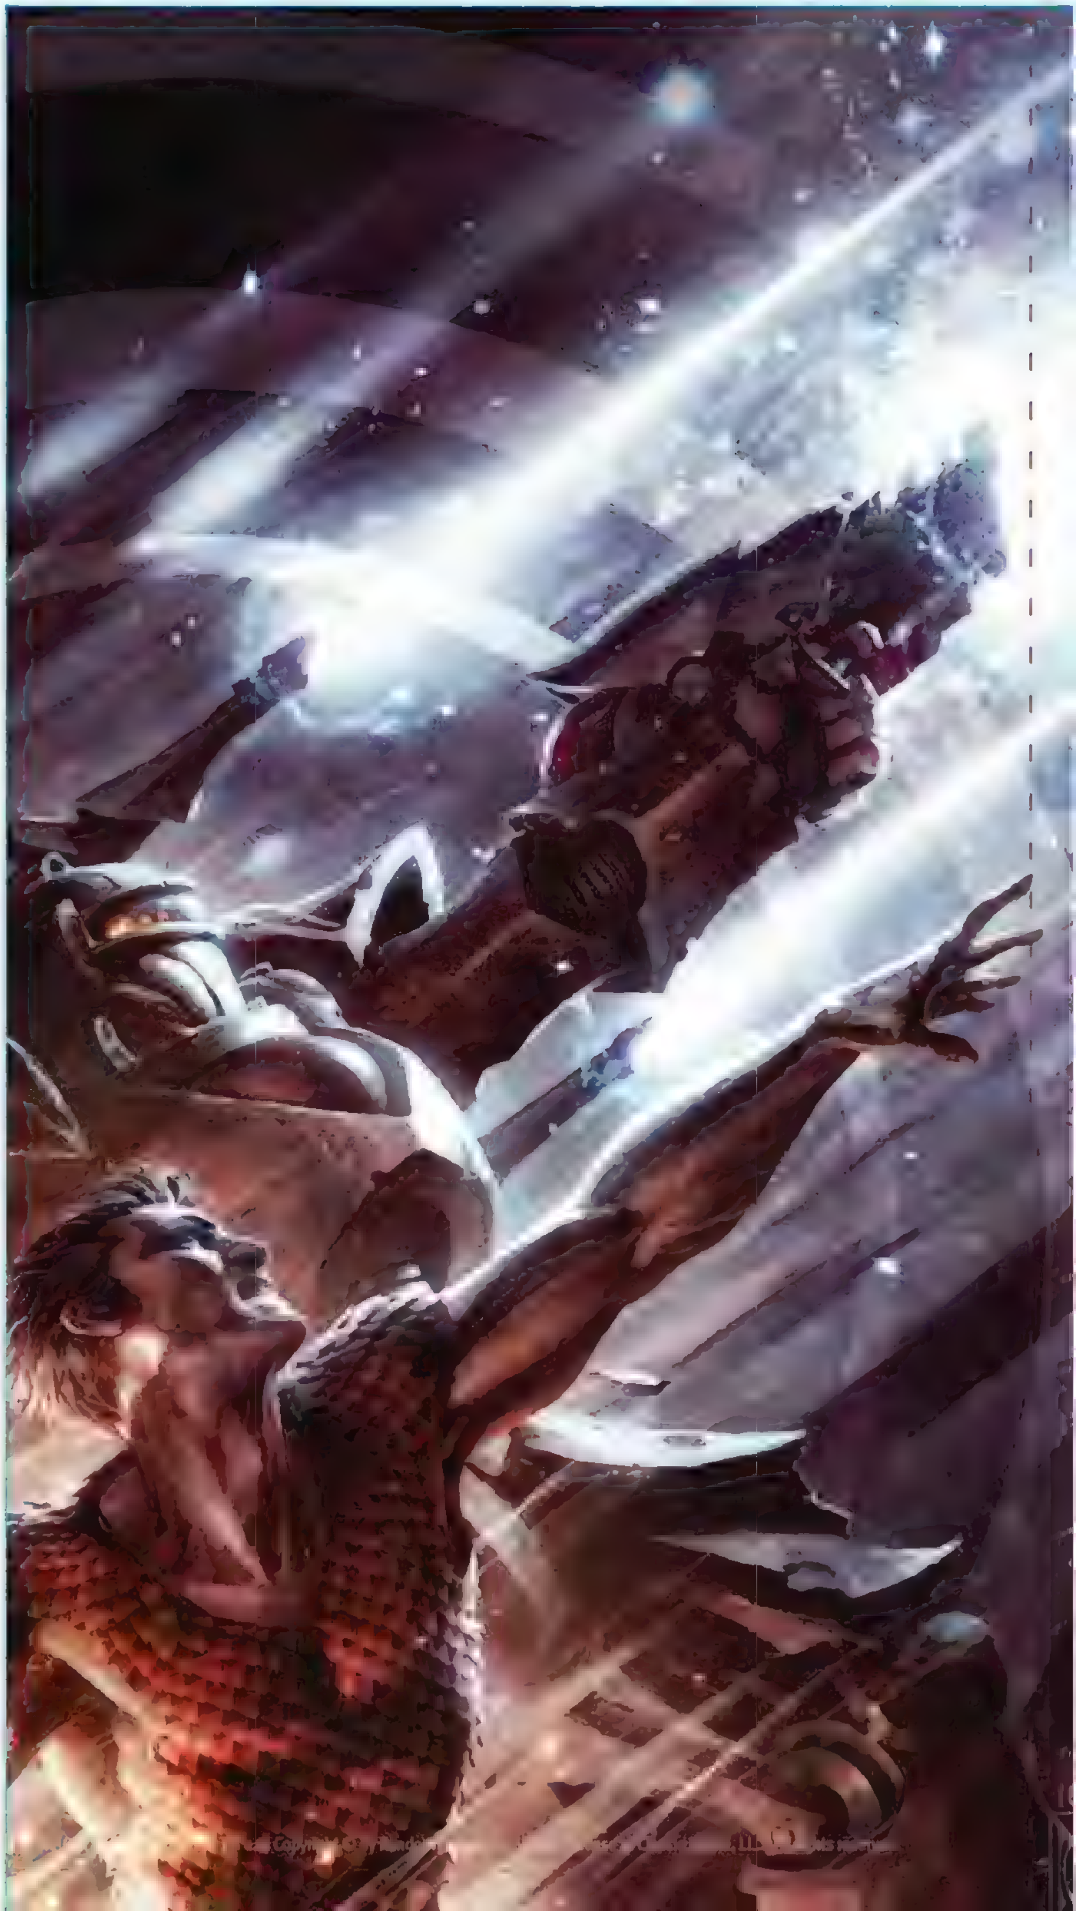
Jim Shooter (W), Bill Reinhold (A), Jesse Delperdang (A), Wes Dzioba (C), and Raymond Swanland (Cover)

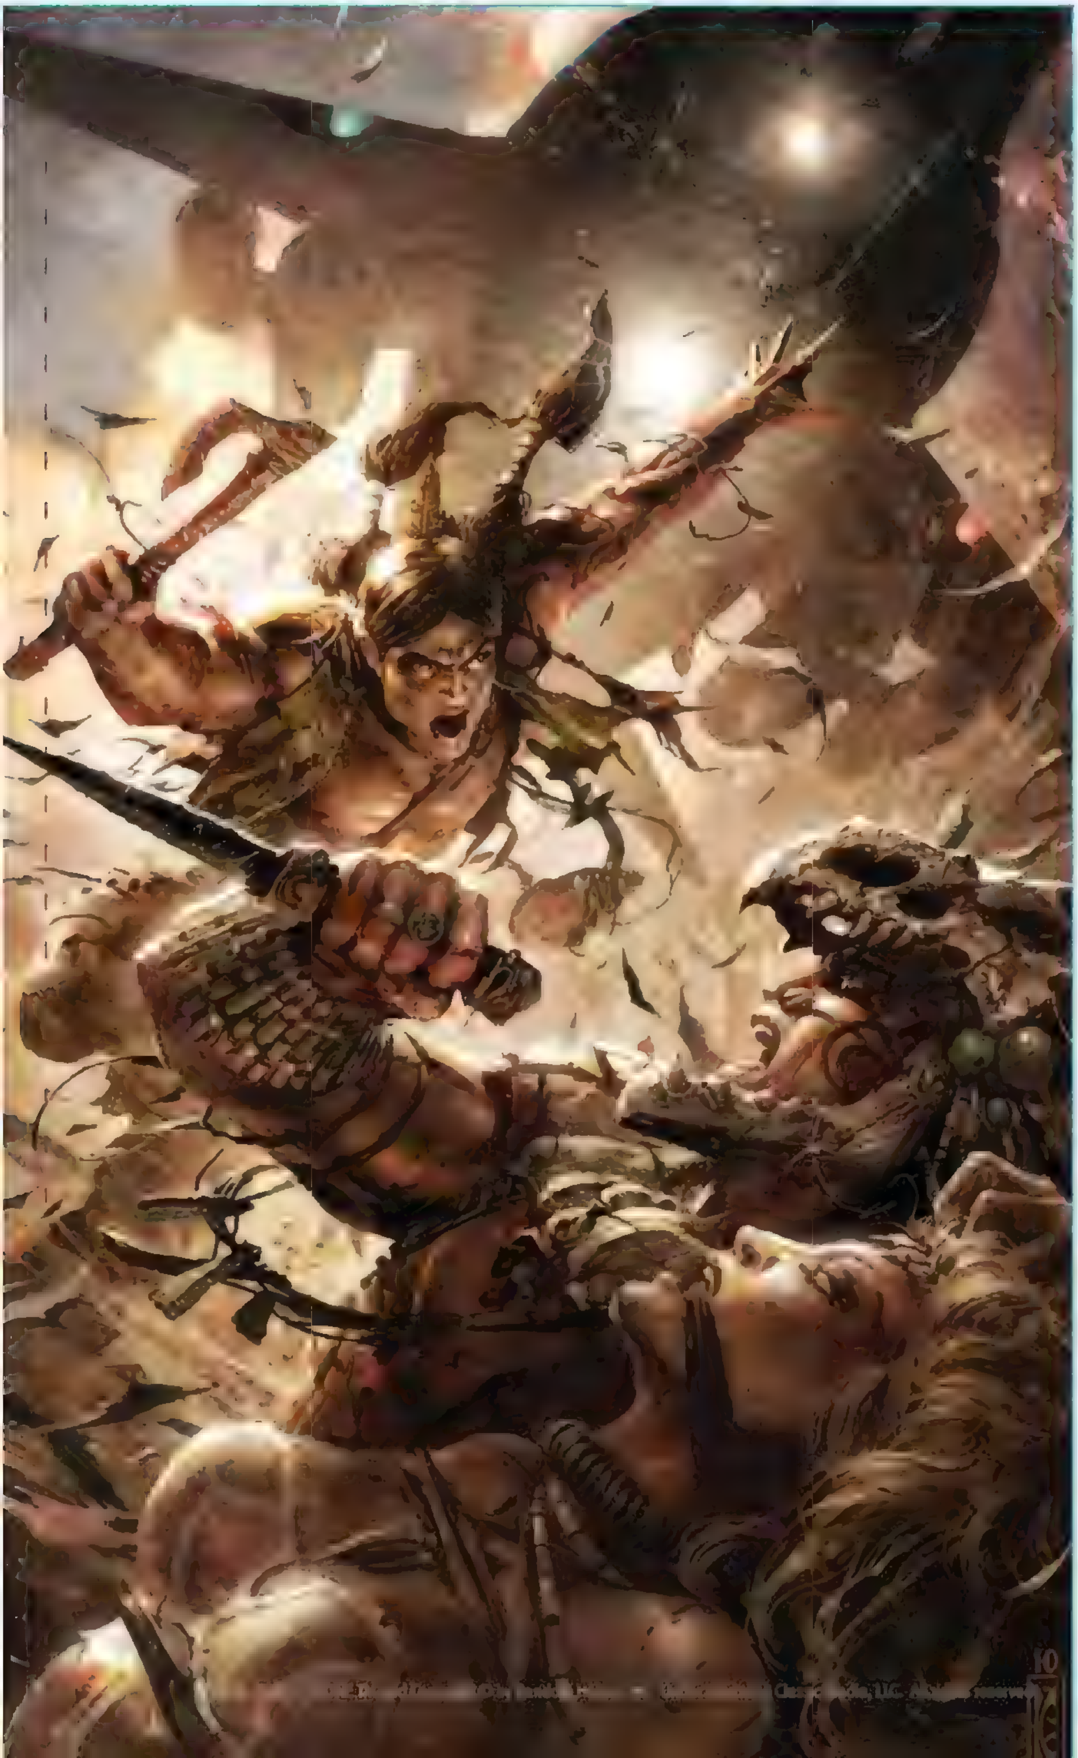
On sale Jan 26	FC, 40 pages
$3.50	ONGOING

The year is 4000 CE, twenty-one years since the first uprising of sapient Q-ROBs was crushed. A new rebel leader has arisen—Jocko, a Q-ROB engineer with a burning vendetta against Magnus and *especially* Leeja Clane.

- **Magnus has been popular among several generations of comics readers.**
- **Reimagined by comics legend Jim Shooter.**
- **The never-before-revealed origin story of Magnus's mentor and adoptive father—robot *1-A*, the first Robot Fighter!**



ALONE AGAINST THE AZTEC HORDE!



TUROK,

SON OF STONE #3

Jim Shooter (W), Eduardo Francisco (A), José Villarrubia (C), and Raymond Swanland (Cover)

On sale Jan 1	FC, 40 pages
$3.50	ONGOING

They cut out your still-beating heart and offer it up to the gods before your dying eyes to keep the sun rising. Thus do the Aztecs serve their faith. The Short Ones—the deadliest, most fearless warriors ever to walk the Earth—drag Turok's young friend Andar and the beautiful Aasta to the sacrificial altar, where Maxtla, the Aztec god-king, raises the obsidian dagger. Only Turok can save them—one man alone against a thousand!

- **Turok, Son of Stone is one of comics' truly iconic characters, popular for half a century.**
- **Industry legend Jim Shooter returns to the character he redefined in the 1990s to overwhelming sales and critical success.**
- **Inspired the wildly popular *Turok, Dinosaur Hunter* game and *Turok, Son of Stone* animated feature.**

GIANT SIZE LITTLE LULU

VOLUME 3

John Stanley (W/A) and Irving Tripp (A)

On sale Mar 23	b&w, 712 pages
$24.99	TPB, 6" x 9"

Using the original *Saturday Evening Post* gag panels as a jumping-off point, John Stanley created an entire world around mischievous Lulu Moppet. With a cast of characters each as individual and charming as Lulu herself, and with an endless reserve of new twists on his simple setup, Stanley made *Little Lulu* into one of the all-time classics of American comics!

This volume sees Stanley and artistic collaborator Irving Tripp continue taking their work to new levels, making each of the fifteen complete issues collected inside sharper and funnier than the last. Whether Lulu is making trouble with her friend Annie, spinning tales to quiet her neighbor Alvin, or in a battle of wits with Tubby, Stanley and Tripp provide a bellyful of laughs every time!

- **Collects three out-of-print Dark Horse volumes into one affordable collection!**
- **Over 700 pages—fifteen complete comic books!**

SOME LIVED AS ORDINARY PEOPLE, OTHERS UNDERTOOK GREAT MISSIONS, TRAVELLING VAST DISTANCES ALONE AND UNKNOWN.
IT WAS THE WAY OF THE FINDER TO HELP HIS PEOPLE BY STANDING APART FROM THEM, SEEING THEM AS ONLY AN OUTSIDER CAN.
BUT FOR THOSE WHO NEEDED TO ASK FOR HELP DIRECTLY, THERE WERE WAYS TO SPEAK TO THE FINDERS. THOSE CUSTOMS STILL LINGER, ALTHOUGH THE REASONS ARE ALSO MAINLY FORGOTTEN.
AND CUSTOMS CHANGE. FOR A WHILE, FINDERS EVEN WORE THE SIGNAL PATTERN OPENLY, SECURE IN THE KNOWLEDGE THAT ONLY OTHER FINDERS KNEW WHAT IT MEANT.

CLASSIC ARCHIE CHARACTER #4:

JUGHEAD

- On sale Apr 27
- 5" tall
- Limited to 550 numbered pieces
- Packaged in its own tin box, with a pin-back button and character booklet
- $49.95

Archie first appeared in *Pep Comics* #22 in 1941, followed closely by his own comic-book series. The year 2011 marks the seventieth anniversary of Archie, and with Dark Horse poised to begin releasing the *Archie Firsts*, we are proud to give the Archie family our signature Syroco-style treatment.

The fourth character statuette in our series of five is Jughead. The offbeat, eccentric pal of Archie, Jughead is self-confident and never worries about what others think of the way he acts or dresses. Jughead is seen by some as an outcast, because he doesn't follow the pack. However, his true friends, Archie and Betty, understand him and love him for who he is.

J. P. Kalonji wields a clean, street-informed style to deliver a tale that glistens with blood and drama, yet is ultimately uplifting. Nearly four hundred pages long, this graphic novel employs full-page panels to tell the story of an Edo-era swordsman's quest for survival and enlightenment.

The Dark Horse collection of this work has been one of our most well received.

Now we present a deluxe package that includes the text of this edition of the graphic novel (nearly 400 pages) in French. The package includes a separate translation booklet, which presents the text in six different languages: English, French, Japanese, Italian, and Spanish. Also included is the 5" figure, fourteen art postcards by Kalonji, and an assortment of twelve art stickers.

DC COMICS DROPS PRICES ON $3.99 TITLES

Beginning January 2011, DC Comics will implement a line-wide pricing adjustment, lowering the prices of all standard length 32-page ongoing comic book titles currently priced at $3.99 to $2.99.

"This announcement reaffirms DC Comics' commitment to both our core fans and to comic book store retailers," said Jim Lee DC Comics Co-Publisher. "For the long term health of the industry, we are willing to take a financial risk so that readers who love our medium do not abandon the art form."

"As Co-Publishers, we listened to our fans and to our partners in the retail community who told us that a $3.99 price point for 32 pages was too expensive. Fans were becoming increasingly reluctant to sample new titles and long term fans were beginning to abandon titles and characters that they'd collected for years," said Dan DiDio, DC Comics Co-Publisher. "We needed a progressive pricing strategy that supports our existing business model and, more importantly, allows this creative industry to thrive for years to come. With the exceptions of oversized comic books, like annuals and specials, we are committed to a $2.99 price point."

DELIRIUM'S PARTY: A LITTLE ENDLESS STORYBOOK HC

Written by JILL THOMPSON
Art and cover by JILL THOMPSON

The diminutive versions of the Endless from Neil Gaiman's SANDMAN mythos are back by popular demand in DELIRIUM'S PARTY: A LITTLE ENDLESS STORYBOOK.

In an effort to rid Despair of her unhappiness once and for all, Little Delirium throws a party for her dour sister and invites siblings Dream, Destruction, Death, Destiny and Desire. But this is no ordinary affair. We're talking about a party planner who is the personification of delirium, so you can only imagine that this event will be as outrageous and unpredictable as Little Delirium's haircolor. But whether Delirium's party will be a smashing success – or whether it will end in tears – is anyone's guess.

Brought to life through whimsical prose and watercolor by multiple award-winner Jill Thompson, DELIRIUM'S PARTY: A LITTLE ENDLESS STORYBOOK will be an affair to remember for all time – and all ages

THE LITTLE ENDLESS STORYBOOK HC NEW PRINTING

Written by **JILL THOMPSON**
Art and cover by **JILL THOMPSON**

"Incredibly endearing art makes this picture book a page-turner . . . cute, but not without the edge that one expects from The Sandman line. The story is funny and appealing in itself, yet it incorporates enough insider jokes to gratify Sandman fans."
— BOOKLIST

"An endearing and heartfelt story, much like Owly, and should prove to be a welcome addition to any Sandman fan's library."
— IGN

A new printing of the classic tale of The Endless from acclaimed writer/artist Jill Thompson!

The story begins once upon a time, when Little Delirium was lost. Her protector and puppy Barnabas searched the waking world for his tiny princess to no avail. Now, Barnabas must travel to the strange realms of each of The Endless to see if Delirium's siblings have seen their missing sister. Cameos by The Sandman, Desire and the rest of the Endless family make this a must-have for any Sandman fan.

Self-exile forces him to take a good, hard look at himself and his conduct since he entered the DMZ, and he doesn't like what he's seeing. His discovery presents him with an opportunity that he's tempted to take, but is the price too high? This volume collects issues #50-54 and includes a pinup gallery with art by Jim Lee, Dave Gibbons, Eduardo Risso and others.

WEDDING BELLS FOR JOHN CONSTANTINE!

HELLBLAZER #275

Written by PETER MILLIGAN
Art by GIUSEPPE CAMUNCOLI
& STEFANO LANDINI
Cover by SIMON BISLEY

Many things have conspired to stop John Constantine from getting married, not least of which is John Constantine himself. But this time it's different – this time it's the young, beautiful alchemist Epiphany Greaves. Even as the church fills and the blushing bridegroom slips a carnation into his buttonhole, things can go horribly wrong. Uninvited guests from Heaven and Hell threaten to ruin the wedding of the year. In this issue, confetti and brimstone and the smell of blood fill the air for an extra-sized nuptials issue.

HELLBLAZER: PANDEMONIUM TP

Written by JAMIE DELANO
Art and cover by JOCK

"Stylish . . . unnerving." — PUBLISHERS WEEKLY

The acclaimed original graphic novel, now in paperback!

When an alluring Muslim woman catches John Constantine's eye, she also brings trouble clattering to his doorstep: a bombing in a London museum, mysterious ancient Sumerian artifacts, a terrifying creature running rampant with renegade intentions… To save his life and freedom, Constantine embarks on a desperate trail blazing from the back streets of London to the detainment centers and battlegrounds of contemporary Iraq – where the man who's seen everything will witness a modern-day horror unlike anything he could ever have imagined. HELLBLAZER: PANDEMONIUM brings original HELLBLAZER writer Jamie Delano together with fan-favorite artist Jock to tell a tale about war and terror in a horror story tailor-made for the 21st century.

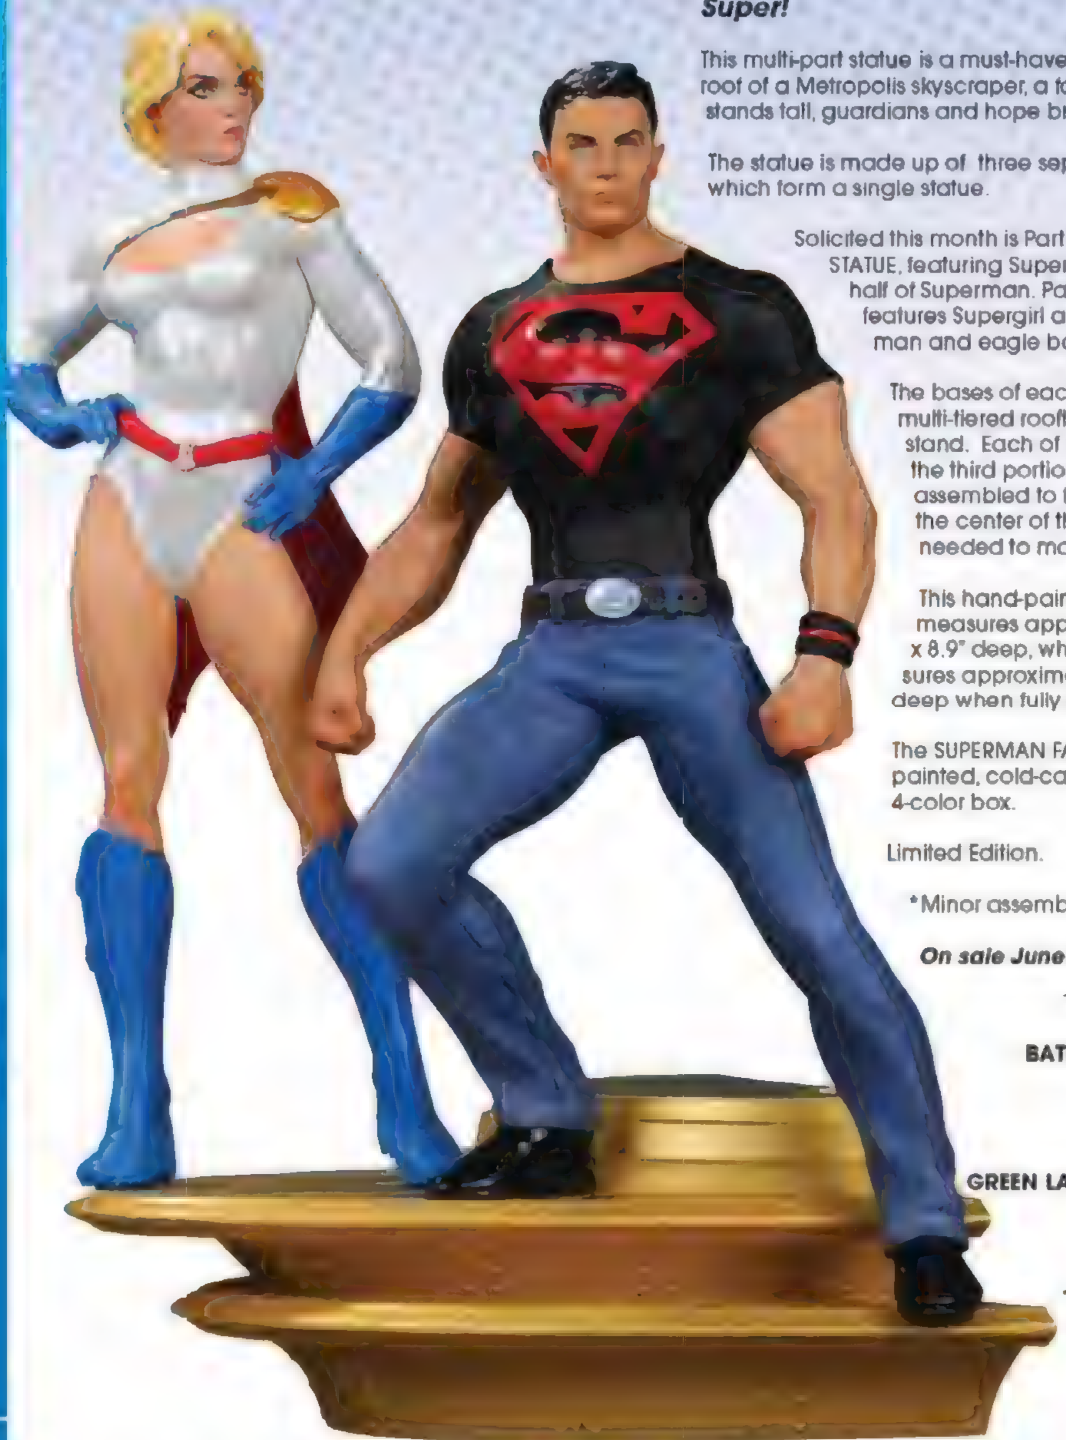
SUPERMAN™

SUPERMAN FAMILY MULTI-PART STATUE: PART 1: SUPERBOY AND POWER GIRL

SCULPTED BY JOSEPH MENNA



Super!

This multi-part statue is a must-have for Superman fans. High atop the roof of a Metropolis skyscraper, a family born from the ashes of Krypton stands tall, guardians and hope bringers to the people of the city.

The statue is made up of three separate pieces (sold in two parts) which form a single statue.

Solicited this month is Part 1 of the SUPERMAN FAMILY MULTI-PART STATUE, featuring Superboy and Power Girl, with the upper half of Superman. Part 2 (to be solicited next month) features Supergirl and Steel, and the lower half of Superman and eagle base detail.

The bases of each piece slide together to form a multi-tiered rooftop on which all the characters stand. Each of the two parts includes a piece of the third portion of the statue, which can be easily assembled to form Superman, who rises up from the center of the piece. Both parts of the statue are needed to make Superman.

This hand-painted, cold-cast porcelain statue measures approximately 10.15" high x 8" wide x 8.9" deep, while the entire multi-part statue measures approximately 10.15" high x 17" wide x 8.9" deep when fully assembled.

The SUPERMAN FAMILY MULTI-PART STATUE is hand-painted, cold-cast in porcelain and is packaged in a 4-color box.

Limited Edition.

BLACKEST NIGHT: RED LANTERN 1:4 SCALE POWER BATTERY AND RING PROP REPLICA SET

Ripped from the pages of BLACKEST NIGHT!

Born of anger crystallized in blood, the red spectrum of rage ignites in crimson light. Flames of hatred mixed with unbridled rage and revenge, unleashing a deadly combination of unchecked slaughter. Beware the rage of the Red Lanterns.

For nine consecutive months in 2011, DC Direct releases a 1:4 scale light-up Power Battery and light-up ring prop replica set featuring a color from the spectrum of the hugely popular DC Comics' epic BLACKEST NIGHT.

A great companion piece to the HEROES OF THE DC UNIVERSE: BLACKEST NIGHT RED LANTERN ATROCITUS BUST!

The Red Lantern 1:4 Scale Power Battery and the Red Power Ring sit in a translucent red display and are removable from the stand. Both light up, featuring manual on/off switches.

The Power Battery measures approximately 2.875" high (minus handle) x 1.75" wide x 2.375" deep and is made of PVC/ABS. The Power Ring fits most sizes and lights up when worn. The translucent red acrylic display measures approximately 1.5" high x 2" wide x 3.25" deep. The set is packaged on a 4-color blister.

WHAT IS INFESTATION?

I sat down with IDW Chief Creative Officer **Chris Ryall** to get the lowdown on the new massive event, **Infestation.** What follows is the portion of that interview which is suitable for printing in a family magazine.

DW: Let's start with the obvious question. What is "**Infestation**?"

CR: Infestation is the first ever IDW multi title *event*, and it infects some formerly respectable titles with zombies of all shapes and stenches. It starts out this month with **Infestation** #1, and then explodes into the months to come.

DW: So... Where did the idea for this project come from? What have the challenges been, coordinating something of this magnitude? That's a lot of sandboxes to play in.

CR: It's not hyperbole when I say this idea has been *111* years in the making (give or take a century)! Really, it's something I wanted to do for a long time. It all started with us thinking "you know what would never work? Yeah, let's find a way to make that work" and building it into what you have here. The story elements were planted long ago in our own *CVO* and *Zombies vs Robots* titles, but it was really the license holders willingness to let us really play with their various properties that finally allowed us to pull this off.

DW: It does feel like a labor of love... Why bring in Abnett & Lanning? Did you think of them immediately when the project began?

CR: Oh, I'm too self-centered to think that anyone else could write *Zombies VS. Robots* but me, at least at the start of this. And then it occurred to me that no one could do this better than the team of Abnett & Lanning. It was a humbling, inspiring day, that.

DW: Hey, at least it took two superstar writers to replace you. So, what's next? After the big launch, where will "Infestation" take us?

CR: This month kicks off the event itself, but it really gets crazy in February. That's when we release two bi-weekly *Infestation* issues each of *Transformers* and *Star Trek*, followed by two each for *G.I. Joe* and *Ghostbusters* the following month. Which then leads into **Infestation** #2 in April. And from all of this will come one helluva interesting summer for our titles, too...

Amazing 3D Comics

Jack Kirby, Steve Ditko, Bob Powell, Al Jaffee, Mort Meskin, Milt Stein, Alex Toth, and more (w & a) • Various (c)

Long before the recent spate of 3D movies, there were 3D comics! In the mid-fifties, comic-book great **Joe Kubert** hit upon the idea of doing comics in 3D, which resulted in some of the best-selling comics of all time—print runs in the millions!

Eisner Award-winner **Craig Yoe** collects the best of these stories and samples by artists like **Jack Kirby**, **Steve Ditko**, **Bob Powell**, **Al Jaffee**, **Russ Heath**, **Milt Stein**, **Alex Toth**, and many more. Carefully re-mastered and reproduced in large format so that every dynamic, eye-popping effect can be looked at in astonishment. The comics cover every genre: superhero, jungle adventures, horror comics, science fiction, funny animals, satire, western and romance!

The fascinating behind the scenes introduction is by the mastermind behind 3D comics himself, **Mr. Joe Kubert**! Rare art and ephemera as only Yoe Books does it. And, yes, of course, this book comes with special *FREE 3D GLASSES*! BUT WAIT! There's more! This must-have hardback book has a special lenticular 3D cover that puts the amazing in *Amazing 3D Comics*!

The Complete Dick Tracy Vol. 11

Chester Gould (w & a & c)

This volume introduces Mumbles—one of *Dick Tracy*'s greatest villains—and sees Tracy form the Crime Stoppers Club, teaching young boys and girls crime detection techniques. The fascinating (and sometimes grotesque) parade of characters continues, including Coffyhead, Hypo, Bronko, Kiss Andtell, Acres O'Riley, Heels Beals, and Autumn Hews. Plus, everyone dreads seeing what the baby born to B.O. Plenty and Gravel Gertie will look like! Edited and designed by Eisner Award-winner **Dean Mullaney**, with introductions by **Max Allan Collins** and **Jeff Kersten**. Containing all daily and Sunday comic strips from March 17, 1947 through September 26, 1948.

Torpedo, Vol. 3

Enrique Abuli (w) • Jordi Bernet (a & c)

Abuli and **Bernet**'s masterpiece, *Torpedo*, is the story of Luca Torelli's rise from the gutters to become the top killer-for-hire in 1930s New York City. The Torpedo, along with his constant companion, Rascal, wreaks swift and terrible underworld justice on all those unfortunate enough to cross their paths.

Abuli's stories are full of cruel and morbidly dark humor, and **Bernet**'s art style is perfect for showcasing New York as a both stylish and grim. Together they work seamlessly to create a classic and timeless series.

The Suicide Forest #2 (of 4)

El Torres (w) • Gabriel Hernandez (a & c)

Some places are haunted by ghosts, while some people are haunted by loneliness. Legend has it that the souls of those who have committed suicide in the massive forest of Aokigahara are trapped between its increasingly hungry roots. Now that Alan's troubled girlfriend, Masami, has committed suicide there, she comes back as a vengeful spirit, hell-bent on ruining every friendship that he has in Tokyo. But to what end…?

Off-Road

Sean Murphy (w & a & c)

When three misfit friends from high school reunite after a string of bad luck in their personal lives, what is the first thing they do? Go off-roading, of course! Trent, the art school student's girlfriend has just broken up with him. Brad is a good guy, but his abusive father is making his life hell. Greg is full of money, but he's as aimless as he is rich. Each one thinks that challenging Mother Nature is somehow going to fix whatever issues they're dealing with. That is if they ever get their Jeep out of the increasingly bizarre swamp that they are trapped in.

The Last Unicorn

Peter S. Beagle, Peter Gillis (w) • Renae DeLiz (a & c) HC

Whimsical. Lyrical. Poignant. Adapted for the first time from the acclaimed and beloved novel by **Peter S. Beagle,** *The Last Unicorn* is a tale for any age about the wonders of magic, the power of love, and the tragedy of loss. The unicorn, alone in her enchanted wood, discovers that she may be the last of her kind. Reluctant at first, she sets out on a journey to find her fellow unicorns, even if it means facing the terrifying anger of the Red Bull and the malignant evil of the king who wields his power. Adapted by **Peter B. Gillis** and lushly illustrated by **Renae De Liz** and **Ray Dillon.**

TRANSFORMERS PRIME #1-4
IDW Publishing

IDW
TRANSFORMERS

This four-issue weekly series acts as the prequel to the new animated series, *Transformers: Prime*, the latest in animated fun featuring our favorite battling robots disguised as cars, trucks, and other vehicles. A new issue is being released once a week for four weeks, telling the story of the Autobots and Decepticons, acting as a prequel to the new animated series, premiering on Hasbro's cable channel, The Hub.

After seeing the teaser trailer online for the show, featuring my favorite Transformer Bumblebee, putting the hurt on some Decepticons, I feel anticipation is growing for the show, which in turn fuels my anticipation for this four-issue prequel series! Get behind some comics that get behind a sure-win new animated show. Win for the animated robots!

INFESTATION #1

IDW
INFESTATION

Unlike the Spanish Inquisition, everyone expects the big comic book crossover events. They've become a staple in the field over the years from *Blackest Night* to *Image United* to *Secret Invasion*. But there's never been a crossover event that tied four completely different-yet-familiar licensed properties together with one rotted and timely theme.

That is, until now.

This month at IDW, zombies invade the separate worlds of *G.I. Joe*, *Star Trek*, *Transformers*, and *Ghostbusters* in a dimension spanning event that you have to see to believe. The incident that sparks the rotting good time begins in the Ashley Wood classic *Zombies vs. Robots* world, and grows out of that event to infect the universes of some of our favorite comics.

Tell me who among the comic faithful is not foaming at the mouth to see an Autobot zombie or to watch a shambling Spock try and dine on Kirk's brains? The opportunities for crazy zombie action here are just too... er... *juicy* to pass up! **Infestation #1** launches the event with a 40-page oversized issue written by Dan Abnett and Andy Lanning, with art by David Messina. For a series that has more bite than bark, this is one zombie plague that is sure to leave you craving more!

PROPHETS BOX SET

In 2552, the Covenant arrive at Reach, and bombard the UNSC's last major stronghold, turning much of the planet's surface to molten glass. The Master Chief, seemingly one of the last Spartans alive, escapes on the *Pillar of Autumn*. Thus one of the biggest video game franchises is born. Hot on the heels of the huge Halo: Reach release, this box set features the debut and only planned release of the Covenant leaders — The Hierarchs. It is the Hierarchs who declare that humanity is an affront to their gods, and unleash a lengthy genocidal campaign against the technologically inferior race. This box set also includes Master Chief, the iconic SPARTAN-II, to oppose the Prophets!

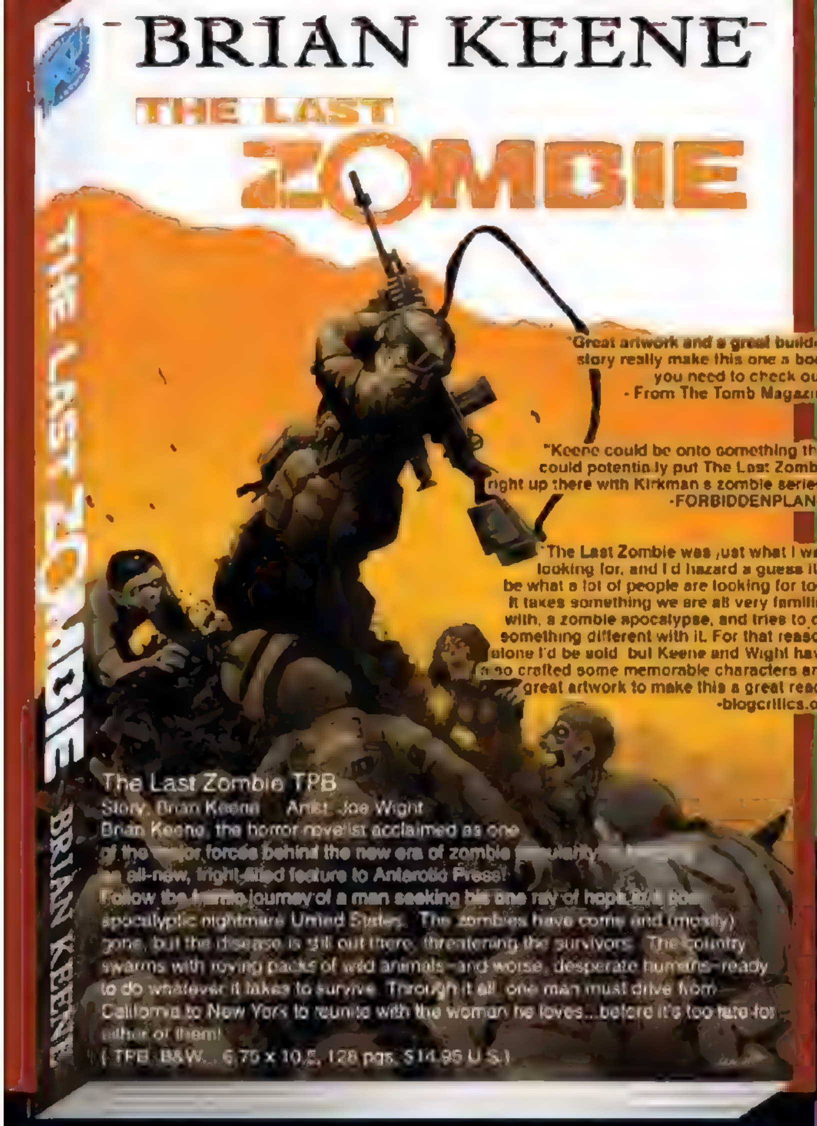
(One-Shot, B&W, 32 pgs, $3.99 U.S.)



"Great artwork and a great building story really make this one a book you need to check out."
- From The Tomb Magazine

"Keene could be onto something that could potentially put The Last Zombie right up there with Kirkman's zombie series."
-FORBIDDENPLANET

"The Last Zombie was just what I was looking for, and I'd hazard a guess it'll be what a lot of people are looking for too. It takes something we are all very familiar with, a zombie apocalypse, and tries to do something different with it. For that reason alone I'd be sold but Keene and Wight have also crafted some memorable characters and great artwork to make this a great read."

The Last Zombie TPB

Story: Brian Keene   Artist: Joe Wight

Brian Keene, the horror novelist acclaimed as one of the major forces behind the new era of zombie popularity, brings an all-new, fright-filled feature to Antarctic Press! Follow the harrowing journey of a man seeking his one ray of hope in a post-apocalyptic nightmare United States. The zombies have come and (mostly) gone, but the disease is still out there, threatening the survivors. The country swarms with roving packs of wild animals—and worse, desperate humans—ready to do whatever it takes to survive. Through it all, one man must drive from California to New York to reunite with the woman he loves...before it's too late for either of them!

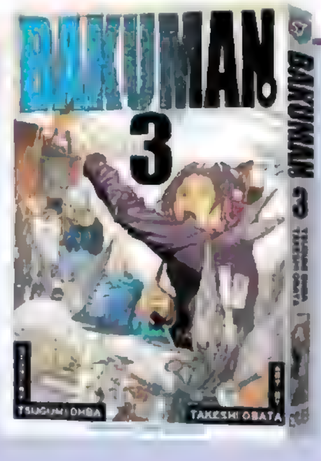
BAKUMAN VOLUME 3 GN
Viz Media LLC



Three years ago, the last volume of the supernatural thriller series *DeathNote*, landed here in the U.S. and ended a story that was two years in the telling. (If you haven't read these 12 volumes, you're missing out big time. Don't let manga-phobia keep you away from *DeathNote*; it is a mind-bender of a thriller). Anyways, three years ago it ended, and anyone reading it felt that wonderful mix of satisfaction and sadness that always comes with the end of a great series.

The creators Ohba and Obata have not sat idle since then! They're back, and they brought us a new story! It's completely different this time — and completely awesome!

Where *DeathNote* was an epic multi-directional murder-battle between super-geniuses equipped with arcane powers, **Bakuman** follows the dreams and struggles of a pair of middle school kids aspiring to become manga artists. For all that the subject sounds like this series would suffer from a major lack of intensity, it just doesn't. Both of the young artists swear an oath that they will be published, established manga creators by the time they're 18 — and the clock is ticking. Ohba and Obata make the protagonists' obstacles tangible, the goals terrifyingly distant, and the hard work between the two immediate and palpable. Any aspiring creator—no matter the medium—will find that this series strikes close to home, and any comics reader — no matter their reservations about manga — will cheer for these two kids as they struggle to live their dream.

Story & Art by: **JOE BENITEZ**
Colors by: **PETER STEIGERWALD**

From the imaginative mind of Joe Benitez with colors by the incomparable Peter Steigerwald, comes this all-new supernatural action-adventure series!

The tabloids dubbed her "LADY MECHANIKA", the sole survivor of a psychotic serial killer's three-year rampage through London. Found locked in an abandoned laboratory amidst countless corpses and body parts, with her own limbs amputated and replaced with mechanical components, her life began anew. With no memory of her captivity or her former life, LADY MECHANIKA eventually built a new life for herself as a private detective, using her unique abilities to solve cases the police couldn't or wouldn't handle. But, she has never stopped searching for answers...

Now, disturbed by haunting memories from her past, LADY MECHANIKA is consumed by a need for answers and focuses all her efforts on investigating the mystery of the Mechanical Girl. The trail leads her to a traveling show run by a band of gypsies, where help might not come as easily as anticipated. But even with the aid of the Gypsy Queen, can LADY MECHANIKA discover who created the Mechanical Girl and why? And will the answers bring her one step closer to uncovering the truth about herself?

Before the return of the light forever altered the events of the present Soulfire universe, a long ago era of flourishing magic enveloped the land as well as Soulfire's preeminent heroine, Grace. Amidst a bloody war between the two dominant races, the Rahtumi and the Sethoru, that endangered both of their existences, an even greater threat soon emerged. It is a malevolent form of magic that threatens to cast a dark shadow over all that is decent and magical by consuming everything in it's path. And through all of this perilous disorder, Grace attempts to overcome the greatest obstacle she has yet to encounter in her time in Empyrea–the bonds of love.

Collecting together the entire sold out SOULFIRE: SHADOW MAGIC mini-series, and fully illustrated by Sana Takeda, this long-awaited trade paperback is a must have addition to your Soulfire collection!

Alan Moore's WRITING FOR COMICS

Graphic Novel *(new printing)*

Retail Price: $5.95
Cover: Juan Jose Ryp
Writer: Alan Moore
Artist: Jacen Burrows
Readership: All Ages
Format: B&W, 48 pages, square bound

PRODUCT DESCRIPTION: The master of comic book writing shares his thoughts on how to craft a perfect tale and deliver a top notch script! The main essay was originally written in 1985 and appeared in an obscure British fanzine, right as Moore was reshaping the landscape of modern comics, and had been tragically lost ever since. Now Avatar brings it back in print, collected for the first time as one graphic novel, and heavily illustrated by Jacen Burrows. Alan Moore also provides a brand new essay on how his thoughts on writing have changed in the two decades since he first wrote it. For fans of Moore's work, new writers, or anyone who wants a peak behind the mental curtain of one of the greatest living writers, this is a can't miss book!

FREAKANGELS

VOLUME FIVE

Volume Five of award-winning author Warren Ellis' ongoing web comic, FREAKANGELS, is here! This installment collects the entire fourth arc of the post-apocalyptic saga into 144 gorgeous, full-color pages. Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years ago, the world ended. Today, eleven strange 23-year-olds are living in and defending Whitechapel, maybe the last real settlement in flooded London. They've made a new friend, and together they've successfully defended their home from outside attackers, a ghost from the past, and threats from within.

In FREAKANGELS: VOLUME FIVE, everything you thought you knew about the 'Angels is wrong. In fact, much of what *they* thought was true simply hadn't been sufficiently examined. While Alice keeps watch over Whitechapel from the watchtower, the twelve Freakangels – that's right, ***twelve*** – down below are forced to re-examine their lives... and their deaths. Ellis' ongoing story of a flooded London is beautifully illustrated in jaw-dropping detail by Paul Duffield, and every page is as much a work of art as it is a compelling and multi-layered story. This fourth collection is also available as a Hardcover edition with an all-new cover by series artist Paul Duffield that is limited to just 2000 copies, and a Dual Signed Hardcover edition, limited to only 1000 copies, signed by both Warren Ellis and Paul Duffield!

NIGHT OF THE LIVING DEAD #4

Writer: Mike Wolfer and John Russo
Regular Cover: Paul Duffield - **Art:** Tomas Aira
Format: Full Color, 32 pages, #4 of 5, MR

Regular cover retail price: $3.99 US

PRODUCT DESCRIPTION: Fans have demanded it, the most unprecedented and horrifying night in American history continues as the next chapter of NIGHT OF THE LIVING DEAD is revealed at last! Seeking only to expose an unspeakable atrocity in a small Vietnam village at the hands of U.S. troops, a Vietnam War veteran has ignited a firestorm of public outrage, culminating in a full-scale riot in the heart of Washington D.C. One careless gunshot has led to a tidal wave of slaughter as hundreds of now-violent war protesters are cut down by Nation Guard rifle fire in the most shocking massacre in American history. But it gets worse, because the insidious, scientific anomaly which has been bringing the dead back to life resurrects the fallen, creating an overwhelming army of flesh-hungry zombies in the heart of the Nation's capital... And nothing can stop them! Written by the smash duo of Mike Wolfer and John Russo, the original film co-writer, this blood-drenched five-issue series features new artist Tomas Aira. Don't miss all the terrifying covers, Paul (Freakangels) Duffield provides the Regular edition, Raulo (Cpt Swing) Caceres melts eyeballs with the Wraparound cover, and twisted Matt Martin splatters the Gore covers all over the page. Also, retailers can get a ultra-rare Classic B&W cover as an order incentive.

About: The bloody conclusion of the ten-issue vampire epic on the bayou from the writer of the A Song of Ice and Fire novels! From the New York Times Best-selling author, George R. R. Martin, comes a tale of vampire clans, death and debauchery, legendary blood masters, and even a few epic steamboat races on the muddy Mississippi. This is Martin's FEVRE DREAM, an antebellum story of power, loss, and the fever of bloodlust. It's been years since Abner Marsh has seen his old friend and co-captain, Joshua. The Civil War has come and gone, and new steamboats sail on rivers whose names have changed. And that, Marsh supposes, should have been the end of that. But Damon Julian is readying for a new war, and Joshua must ask for Abner's help one last time – to save him, and the world! This is the final showdown, and not everyone will survive the conclusion! Each issue of this stunning full-color epic is illustrated by Rafa Lopez, an artist whose skilled line captures every moonlit drop of blood in delicious detail. Adapted by the Hugo-nominated author Daniel Abraham, this version of FEVRE DREAM stays faithful to Martin's original dark vision, while bringing the torture and joy of his vampires to almost-human life. This haunting series is available with Regular and Wraparound painted covers by Felipe Massafera and a very limited Nightmare retailer incentive.

Description: Warren Ellis' hugely popular web comic, FREAKANGELS, is here, collected in print for the first time in this gorgeous, full-color trade paperback! The first arc of the ongoing, post-apocalyptic saga is a must-have for fans ofthe online series, or a perfect starting point for new readers!

About the story: Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. This is the story of what happened next. So welcome to Whitechapel, some years from now, just barely above ground in a flooded England, where a clan of eleven strange people with purple eyes -- the Freakangels -- have carved out some sort of a life for themselves. A life that starts to show big cracks when a girl called Alice from Manchester turns up with a shotgun and a grievance, having met the lost, prodigal last Freakangel, who had very different ideas about what they should do with themselves and this flooded future England. Because the Freakangels have a big secret: Something very bad is their fault.

Description: Volume Two of award-winning author Warren Ellis' ongoing web comic, FREAKANGELS, is here! This installment collects the entire second arc of the post-apocalyptic saga into 144 gorgeous, full-color pages.

About the story: Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. Today, eleven strange 23-year-olds are living in and defending Whitechapel, maybe the last real settlement in flooded London. They've made a new friend, and together they successfully defended their home from raiders--but the post-apocalyptic drowned London that the eleven Freakangels survive in is never a safe place, and never surrounded by friends. Night has only just fallen, but strangers already creep through Whitechapel with the worst of intentions and the weapons to see them through.

Description: Volume Three of award-winning author Warren Ellis' ongoing web comic, FREAKANGELS, is here! This installment collects the entire third arc of the post-apocalyptic saga into 144 gorgeous, full-color pages.

About the story: In FREAKANGELS: VOLUME FOUR, as the clan faces danger from nearly every direction, it's time to really take a look at what happened six years ago. Back when there were twelve FREAKANGELS. Back when they were all running for their lives. Because a lot of things have changed, but maybe not as many things as they thought... Ellis' ongoing story of a flooded London is beautifully illustrated in jawdropping detail by Paul Duffield, and every page is as much a work of art as it is a compelling and multi-layered story.

About the story: John Cain has been working Homicide long enough to get hard to pretty much anything, even wrenching personal loss. Today, it all gets too much. Today, he gets assigned something that finally breaks through his defenses – a child killing that hits horribly close to home. Until now, he's been a good cop, a cop who goes by procedure because it's the best way to ensure that scum go to prison. Today, he makes the parents of the victim a chilling promise. He will find the killer using any means necessary. And the killer will not get away with it. Whatever happens. How much of a monster do you have to become to hunt monsters?

Regular Retail Price: **$3.99**

Cover: Garrie Gastonny
Writer: Brian Pulido and Mike Wolfer
Art: Marcelo Mueller
Readership: All-Ages
Format: Full Color, 32 pages, on-going monthly

PRODUCT DESCRIPTION: Lady Death is back in an all-new, on-going monthly series! The most popular femme fatale in comics returns with a vicious new tale that delivers for both new and old readers! Lady Death's quest to recover the fragments of her mysterious past and otherworldly powers begins! Living as a simple thief among a family of renegades and robbers, Illadra now knows that her existence is a mere facade, masking a heritage of horror and incredible abilities that were born in the dimension called "The Nether Realm." Tortured by fragments of nightmares and the glimpses of a past life long-forgotten, Illadra knows that her soul will not rest until she has recovered that which was stolen from her by the entity known as "Death Queen." But her journey may end before it has begun, as a monstrous, werewolf assassin is dispatched through the dimensional breach to hunt Illadra and destroy her before she can recover her lost powers. Co-written by Mike (Gravel, Wolfskin) Wolfer and original creator Brian Pulido, this series promises to be the most powerful Lady Death tale ever! Amazing new talent Marcelo Mueller provides the luscious art and Digikore brings the dramatic colors wrapped in a stunning new cover by Garrie (Supergod) Gastonny! Also available with a Wraparound cover by Juan Jose Ryp and a special Art Deco Retailer Order Incentive by painter Michael Dipascale!

(W) Stephen Lindsay (A) Jim McMunn
Herschel — Father Herschel to those who knew him years ago, just plain Herschel to those he meets now — is a man of waning faith. Somewhere ahead of Herschel, forging the Devil's Trail across the Old West, is Jericho, an eyeless man with a serpentine smile. Jericho's words can make even the smartest man's head spin. His touch is the touch of death itself. Herschel knows this. He fears it. And he must face it. But facing Jericho means traveling the Devil's Trail — no place for a man of waning faith.

Being a queen sucks. Sonja knows that very well by now, and she's getting tired of holding her kingdom together. But all her problems will seem like welcome distractions compared to what she's about to face. Doom's evil snake-god, Set, is bringing him back from the grave so Doom can have vengeance on Sonja. But Set has his own hidden agenda...

The sequel to 2009's "The Night Witches"! Lieutenant Anna Kharkova is posted to single-seat fighter aircraft and sent straight into action. Hardened and embittered by the loss of her comrades, Anna is only too keen to get her teeth into the enemy- but with Russian and German armies about to collide in the titanic battle of Kursk, her first flight with her new squadron may well be her last. And once the Soviet secret police start sniffing around, death in battle may well be preferable anyway. Soon horrific losses land Anna with the very last thing she wants: more responsibility, in the shape of eight young replacement pilots to be trained for combat. Collecting Battlefields #7-9!

Scenes from an Impending Marriage

SCENES FROM AN IMPENDING MARRIAGE HC
(W/A) Adrian Tomine
At the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames. What started out as a simple illustrated card soon grew into a full-fledged comic book a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes From An Impending Marriage* is a sweet-natured, laugh-out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon suit fittings, dance lessons, registering for gifts, and managing familial demands.

The 2007 *New York Times Book Review* Notable Book, lauded for its provocative and insightful portrayal of interpersonal relationships, was one of the most acclaimed books in recent years. Tomine tackles modern culture, sexual mores, and racial politics with brutal honesty and lacerating, irreverent humor, while deftly bringing to life a cast of painfully real antihero characters

365 DAYS: A DIARY BY JULIE DOUCET HC
(W/A) Julie Doucet
Five years ago Julie Doucet renounced her comics-centric lifestyle. But Doucet could not turn her back on art, and this visual journal is an idiosyncratic collision of her various creative interests, wherein personal narrative, collage and drawing tell the story of her pursuits into printmaking and beyond. The surreal neurosis of her comics has subsided to reveal a more relaxed creativity that is unrestricted by form or definition and is as engaging as ever.

ROUGH JUSTICE: THE DC COMICS SKETCHES OF ALEX ROSS— BOOKPLATE EDITION HC

Pantheon Books

Sometimes you *can* judge a book by its cover. And sometimes I'll even buy a book solely based on its cover. That's not an easy thing to get me to do, but guys like Neal Adams, Bernie Wrightson, Brian Bolland, Michael Kaluta, Dave Stevens, Adam Hughes and Alex Ross have what it takes to separate me from my hard-earned shekels.

With hundreds of previously unpublished graphite sketches of the DC characters, ranging from the Trinity of Batman, Superman, and Wonder Woman to Aquaman; **Rough Justice: The DC Comics Sketches of Alex Ross** (offered this month in a limited Bookplate Edition, signed by Ross and the book's designer, Chip Kidd) gives us a behind-the-scenes look at Alex Ross' design process, and how he makes each character, whether hero or villain, visually important.

If you already own *Mythology: The DC Art of Alex Ross*, then this volume will make a great companion to it, and an essential addition to your home library.

$14.99 / SC / 120 pgs/ FC / 7 x 9

MOME Vol. 21 features the kind of diverse lineup of new and established talent that fans have come to love from the series, including new work from Dash Shaw, Nathan Neal, Noah Van Sciver, T. Edward Bak, Kurt Wolfgang, Sara Edward-Corbett, Nicolas Mahler, Derek Van Gieson, Ted Stearn, Renée French, Jon Vermilyea, Josh Simmons, and many other surprises. Find out why *MOME* continues to draw rave reviews from critics around the globe as a prime source for what's happening in comics right now.

FEATURED ITEM

LOVE FROM THE SHADOWS

by Gilbert Hernandez
$19.99 / HC / 120 pgs / BW / 5.5 x 8.5

The third in Gilbert Hernandez's line of original hardcovers (*Chance in Hell* and *The Troublemakers*) is a trippy thriller. This volume continues the career of B-movie actress Fritz, who first appeared in the *Love & Rockets* graphic novels. In this "movie", a beautiful waitress and her brother visit their estranged father in order to find out why their mother committed suicide. The story weaves in and out of reality and possibly back in forth in time. To complicate things further, the sister is sexually obsessed with a mysterious man throughout the tale — or is it her brother? And that's only the tip of the iceberg.

SPOTLIGHT ON

PRINCE VALIANT Vol 3: 1941–1942

by Hal Foster
$29.99 / HC / 112 pgs / FC / 10.25 x 14

With this volume, Foster reaches the peak of his drawing and storytelling prowess. This third volume features a ten-month epic entitled "Fights for the Singing Sword" (a globetrotting adventure fueled by Valiant's obsessive search for his bride-to-be Aleta throughout Northern Africa). "The Misty Isles" (Valiant meets Aleta face to face but flees upon learning that she has had his crew killed) and "Homeward Bound," where Valiant continues his travels before finally returning to Camelot. His return is short-lived as an alliance threatens Britain's security, and thus Valiant must journey forth to "The Roman Wall." This volume also includes a portfolio of instances where Foster's work was edited or censored (including a hilariously prudish edit by a Canadian Catholic paper), and an introductory essay on Foster's art by renowned comics historian and critic Dan Nadel.

APPROXIMATE CONTINUUM COMICS

Certified Cool

by Lewis Trondheim
$18.99 / SC / 160 pgs / PC / 6.75 x 10.25

Lewis Trondheim's *Approximate Continuum Comics* sets the standard for the honest, often hilarious, chronicling of a cartoonist's life. This volume, which is very much like a full graphic novel-length version of Trondheim's popular "Little Nothings" strips, contains the first three chapters serialized in the *Nimrod* comic book, the last three (never-before-translated) chapters, and a hilarious "rebuttal" section in which Trondheim's family and cartoonist friends dispute Trondheim's depictions.

NANCY IS HAPPY: COMPLETE DAILIES 1942–1945

by Ernie Bushmiller; intro by Daniel Clowes
$24.99 / SC / 432 pgs / BW / 8.5 x 8.5

For many years Ernie Bushmiller's Nancy was perceived as the stodgiest, squarest comic strip in the world. But then comic connoisseurs took a closer look, and began to realize that Bushmiller's art approached its own kind of cartoon perfection, and often achieved a striking zen quality. Beginning in the Spring of 2010, Fantagraphics unveils an ongoing Nancy reprint project. This first Nancy volume will feature an introduction by Daniel Clowes, a biography of the artist and much more.

The most stunningly gorgeous adventure comic strip of all time finally returns in its definitive edition, the first to boast superb restored artwork that captures every delicate line and chromatic nuance of Foster's original masterpiece.

Prince Valiant Vol. 2

by Hal Foster
$29.99 FEB100920

In the second volume of the definitive edition of Foster's masterpiece, Valiant helps his father reclaim his throne in the kingdom of Thule, fights alongside King Arthur, and is made a knight of the Round Table — just for starters.

Enigma Of Al Capp

by Alexander Theroux
$6.95 STAR14822

Compassionately, but with a keen eye, Theroux traces Capp's transformation from a brilliantly funny social advocate creator into a much darker, haunted man who adopted the conservative politics he once criticized.

The Troublemakers

by Gilbert Hernandez
$19.99 APR083E34

A drug dealer, a rock 'n' roll loser, and uber stacked vixen, and a wily grifter: these greedy low-lifes are chasing the hard luck charm! Beto's follow-up to *Chance in Hell* is a lurid, hard-boiled, pulpy delight!

Chance In Hell

by Gilbert Hernandez
$16.95 JAN073615

A three-act story following the life of a young girl adopted out of a hellish slum by a decent man. She eventually marries a kind, well to-do man, but finds that she can't escape the darkness and violence she left behind.

LIBRARY OF AMERICA

LYND WARD: SIX NOVELS IN WOODCUTS SLIPCASE
(W/A) Lynd Ward
Introduction by Art Spiegelman
From the eve of the Great Depression to the start of World War II, Lynd Ward observed the troubled American scene through the double lens of a politically committed storyteller and a visionary graphic artist. His medium — the wordless "novel in woodcuts" — was his alone, and he quickly brought it from bold iconographic infancy to subtle and still unrivalled mastery. The Library of America brings Ward's masterworks to a new generation of readers, together with nine illuminating essays about his craft and an introductory essay by Art Spiegelman that defines Ward's towering achievement.

ZITA THE SPACEGIRL GN
01:First Second Books

If you love space chickens, doomsday devices, magic, alien scrap yards, castles, cults, hucksters, and robots, you're going to wonder where Zita's been all your life!

The answer is, *mostly on Earth*. That is, until one sunny afternoon when Zita and her friend Joseph accidentally open a gateway to a faraway planet. Now Zita must follow Joseph across the universe to save him from a sinister alien kidnapper. She'd better work fast, too, because the planet is only three days from being pulverized by an asteroid.

Creator Ben Hatke assembles a stellar cast to assist Zita on her journey, including a sweet oaf named Strong-Strong, a hotheaded war machine called One, and an oversized intelligent mouse who communicates his emotions with a scrollwork printer hung around his neck. We also meet the local tinker Piper, who seems to be part mechanic, part wizard, and all snake oil salesman. This well-constructed adventure gives each of these characters his own personal conflict, which is always resolved nicely in service of Zita's objective.

Prone to roughhousing but sweet at its core, **Zita the Spacegirl** is true to its title character. This is a great all-ages read packed with fun character designs, beautiful coloring, and awesome robotic spider battles. Be sure to pick up a copy for the spacegirl (or boy) in your life.

Cursed Pirate Girl

CURSED PIRATE GIRL: THE COLLECTED EDITION VOLUME 1 TP
Olympian Publishing

Somewhere between an old-world sense of visual and a modern sense of storytelling lies the adventures of the **Cursed Pirate Girl**. With so much detail in Jeremy Bastian's pen and ink illustrations, every page is its own scavenger hunt of intricacies and hidden gems framing every panel.

Cursed Pirate Girl is just that, a young girl dealt a rough hand in life that brings her to a hard life of swords and scallywags on the high seas. She may be young, but she's learned a thing or two, and she can hold her own just as well as any other pirate three times her age. With monsters, pirates and other dangers all around her, **Cursed Pirate Girl** is always on her toes, and is highly recommended.

LADY MECHANIKA #2

Aspen MLT, Inc.

Aspen makes yet another addition to their lineup of strong female protagonists with **Lady Mechanika**! A victim of a gruesome experiment that left her part-machine herself, Lady Mechanika is a private detective who is swept up in a case that may provide her with answers to her own forgotten past. Set in an alternate Victorian-era London, the series offers a fresh and compelling take on the SteamPunk genre by couplingit with familiar concepts that draw from the historical landscape of that period.

Creator, writer and artist Joe Benitez has crafted a world around his heroine that walks a fine line between being both familiarand foreign, yielding fantastic results. The intriguing narrative is complimented wonderfully by Benitez's always stellar visuals that continue to leave me chomping at the bit to get my hands on the next issue.

With a heroine who is equal parts Sherlock Holmes, Lara Croft and the Terminator, **Lady Mechanika** is a series that shouldn't be missed by any comic book fan.

During World War II the Nazis pillaged much of Europe's great art collections. Museum curator Ila Gardner and SS officer Rolf Hauptmann are forced by circumstances to play out an awkward and dangerous relationship in a public power struggle. *Moving Pictures* unfolds along two timelines which collide with the revelation of a terrible secret, an enigmatic decision that not many would make, and the realization that sometimes the only choice left is the refusal to choose.

THE PLAYWRIGHT HC
(W) Eddie Campbell (A) Daren White
The Playwright enjoys a quiet moment in the local park. Once he saw a pigeon defecate onto a businessman's shoulder; it struck him as absurd that such an event is considered lucky. Similarly, the Playwright derived an almost perverse sense of relief upon receiving news that an old friend has developed prostate cancer. *The Playwright*: a dark comedy about the sex life of a celibate middle-aged man.

ROBERT JORDAN'S NEW SPRING TP
(W) Robert Jordan, Chuck Dixon (A) Mike Miller, Harvey Tolibao
In the years before his death, Robert Jordan worked closely with Chuck Dixon on the graphic adaptation of *New Spring*. The eight issues tell the story of the search for the infant Dragon Reborn and of the adventures of Moiraine Damodred, a young Aes Sedai, and Lan Mandragoran, the uncrowned king of a long-dead nation. Adapted by Chuck Dixon and illustrated by artists Mike Miller and Harvey Tolibao, *New Spring* with its developmental art, script pages, and correspondence between Jordan and Dixon, will delight any of Robert Jordan's millions of readers.

"The most satisfying piece of fiction I've experienced this year of any format. I really can't recommend it highly enough." —*Avoid the Future*

Top Shelf Productions

"A multifaceted story full of difficult storytelling and ambiguous morality… illustrative of what a major writing talent Kathryn Immonen really is. Husband Stuart's work is equally excellent, closed and evocative with skillful use of light and shadow."

LOST GIRLS
ALAN MOORE
MELINDA GEBBIE

"*LOST GIRLS* is to erotic literature what Moore's now classic 1987 *Watchmen* was to the superhero scene. Each busts the frames of its respective genre with formal precision; each reflects upon its own ways and means through books within the book; and, most importantly, each kicks great writing into hyperdrive with dense and resonant imagery."

VIETNAMERICA: A FAMILY'S JOURNEY GN

(W/A) GB Tran

GB Tran knew that his parents had fled Vietnam during the fall of Saigon, but once they were rebuilding their lives in America, they preferred to forget the past — and focus on their children's future. But on a trip to Vietnam for his grandmother's funeral, GB began to learn the tragic history of his family — and of the homeland they left behind. In this graphic memoir, Tran tells the story of his family's experiences during the Vietnam War and the gift of the American Dream.

YEN PRESS RATING SYSTEM

The goal of the Yen Press rating system is to provide parents, librarians, and retailers with as much information about the content of our books as simply and concisely as possible. Ultimately opinions about appropriateness of content are subjective and are likely to vary from person to person. Our ratings are located on the back of every book we publish.

A = All Ages, **T** = Teen, **OT** = Older Teen, **M** = Mature

Additionally we use a lettered system to provide insight as to why the material was given a particular rating.

L = Language, **S** = Sexual Situations, **V** = Violence, **N** = Nudity

OMAMORI HIMARI VOLUME 2 GN
(W/A) Milan Matra
An orphaned boy must learn to live with a sexy supernatural warrior who aggravates his allergies and his hormones in this quirky take on the fantasy romcom! Sixteen-year-old orphan Yuuto Amakawa has terrible cat allergies. So when he finds himself suddenly face to face with a beautiful girl who makes those allergies act up one morning, he's left wondering about her identity. And when she saves Yuuto and his friends from a demon spirit with a sharp sword, she reveals herself as a sworn protector of the Amakawa family and a demon spirit to boot! (C: 0-1-2)

UGLY DUCKLING'S LOVE REVOLUTION VOLUME 3 GN
(W/A) Yuuki Fujinari
Everything is pretty average about Hitomi; she's an average student, has an average brother, average looks. The only thing that makes her stand out is her weight. Weighing in at 220 lbs, she's no elegant swan. But when she was younger, she took part in children's beauty contests, bringing home many prizes. Only when her sweet tooth took over did she gain the weight. So when Hitomi moves into her older brother's apartment, she discovers that his neighbors are the five hottest guys in school! And when they decide to get Hitomi back to her cute and pretty roots, it's a recipe for disaster! (C: 0-1-2)

NEIL GAIMAN: THE GRAVEYARD BOOK MMPB
(W) Neil Gaiman (A) Dave McKean
Winner of the 2009 Hugo Award for Best Novel! It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy — an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack who has already killed Bod's family. HALO: PROPHETS MINIMATES BOX SET

A Diamond Select Release! Art Asylum design and sculpt! In 2552, the Covenant arrive at Reach, and bombard the UNSC's last major stronghold, turning much of the planet's surface to molten glass. The Master Chief, seemingly one of the last Spartans alive, escapes on the *Pillar of Autumn*. Thus one of the biggest video game franchises is born. Hot on the heels of the huge Halo: Reach release, this box set features the debut and only planned release of the Covenant leaders — The Hierarchs. It is the Hierarchs who declare that humanity is an affront to their gods, and unleash a lengthy genocidal campaign against the technologically inferior race. This box set also includes Master Chief, the iconic SPARTAN-II, to oppose the Prophets!

FANTASY

TRIAD LEGENDS: BODHI DHARMA 12-INCH ACTION FIGURE

While many legends exist, few dispute that Bodhi Dharma is the founder of Zen Buddhism in China and Japan. Dharma traveled north and east to Southern China to preach the teachings of zen, eventually arriving at a small monastery called the Shaolin Temple. Dharma's emphasis on self-enlightenment and strength introduced radical preset forms of martial arts to the monastery. Bodhi Dharma has been long recognized as one of the most significant influences in Chinese martial arts as we know. Triad Toys debuts their *Legends* line with *Bodhi Dharma*. No detail is left out of this figure — his clothes are meticulously designed with multiple layers and choice fabrics, he comes with four pairs of hands for all the kung-fu poses you can possibly imagine, his head sculpt is wildly imaginative and hand-painted to perfection, his weapon utilizes the ATAC system and converts into five different weapons! To guarantee the highest level of detail and collectability, Dharma is a limited production of only 400 pieces worldwide! Scheduled to ship in December 2010. (1428) (C: 0-1-3)

ZE SUPER ZEROS 9" PLUSHES
Ze Super Zeros are hero friends whose super powers and problems blend. They have their pluses and minuses too — they're super special, just like you! Each Super Zero has a "mini" power and a related challenge that teach kids to embrace what makes them unique and find their inner Super Zero! *Zipo the Hippo* swims super fast, but doesn't like getting wet. *Zola the Koala* can stay awake all night keeping watch, but she gets tired and falls asleep during the day. *Zonk the Monkey* is a super climber, but he's scared scared of heights and uses his cape to parachute down. *Zebu the Zebra* is super good at hiding, but he always gets lost. *Zoco the Crocodile* can chew through anything, but that makes his teeth dirty. *Zaza the Mouse* can crawl through small spaces with ease, but he's afraid of the dark! The Super Zeros feature removable capes and pouches to contain kids' special treasures, and each stands 9" tall. Scheduled to ship in December 2010. (1558) (C: 1-1-3)

BETA RAY BILL STATUE

A Bowen Designs Sculpt! On the Korbinite homeworld, one of their greatest warriors was subjected to tests and torments to judge his suitability to become their champion and protect them as they fled from the alien scourge that threatened them. He was Beta Ray Bill, and in a battle with the Norse god Thor he separated Thor from his enchanted hammer Mjolnir and took it up himself, becoming imbued with the powers of Thor! After a challenge by Odin, Beta Ray Bill was given his own enchanted hammer — Stormbreaker — and he became Thor's oath-brother and the hero his Korbinite people needed. This 16" tall statue, sculpted by Jason Smith, brings to life Walt Simonson's cosmic equine hero. Scheduled to ship in February 2011. (8824) (C: 0-1-3)

IRON MAN 2 MOVIE: MARK V BRIEFCASE SUIT PROP REPLICA

When Tony Stark needs a portable version of his Iron Man armor, for emergency use, he turns to the Mark V travel armor. Lightweight enough to be portable, this armor, when stored resembles a briefcase, can fold out quickly and easily into a fully-formed Iron Man suit. Durable enough to withstand both conventional and energy weapons, due to the portable nature of the armor it lacks some of the flight capabilities of the heavier Mark IV and Mark VI armors. This prop replica from Museum Replicas replicates the *Iron Man Mark V* armor in its briefcase form. Scheduled to ship in February 2011. (5465/885036) (C: 0-1-4)

Prop Replica...$450.00

PEGASUS

BELL X-1 1/18-SCALE PREBUILT DISPLAY MODEL

On Tuesday morning, October 14, 1947, the world stood on the brink of history. From the airstrip at Muroc Army Air Field, a B-29 took off into the cool desert sky, carrying beneath it the Bell X-1 # 46-062. At about 10:30, the X-1 dropped from the B-29 and, with Chuck Yeager at the controls, the experimental airplane rapidly climbed to an altitude of 40,000 feet. Soon, it broke through the sound barrier, reaching a speed of Mach 1 06, the first manned aircraft to do so and Yeager became the fastest man alive. Nicknamed the *Glamorous Glennis*, this historic aircraft is recreated with this pre-built model kit that measures 23" long and has working landing gear and other authentic details. DISNEY BY BRITTO: MICKEY MOUSE EARS PERIOD BOX AND FIGURINE

Romero Britto's pop art stylings combine with Disney's beloved characters to create a new variation on classic favorites for the Disney by Britto collection. Inspired by Spanish master Pablo Picasso, Britto introduces the "Blue Period" design, mixing his pop sensibilities with Picasso's evocation of the somber tones of blue. The hand-painted polystone *Mickey Mouse Blue Period* figure stands 4" tall while the *Blue Period Ears Box* also at 4" tall features the Picasso-esque design on the iconic contemporary "mouse ears" shape which opens to reveal a small storage space. Offered separately. The Mickey figure and Ears box create a three-dimensional canvas for Britto's bold interpretations; look for more in this series to collect and enjoy! SWORD OF VENGEANCE

WARHAMMER 40K: THE PURGING OF KADILLUS MMPB
(W) Gav Thorpe
A New Space Marine Battles Novel!
Faced with an ork invasion of Piscina IV, the 3rd Company of the Dark Angels believes the threat to be minimal. As enemy numbers continue to increase, their commander, Captain Belial insists that his Company are strong enough to resist. But Scout-Sergeant Naaman knows just how dangerous this foe can be, and when a renewed greenskin offensive takes the Dark Angels by surprise the orks swarm towards Kadillus Harbour. Little do the Dark Angels know of the technological power available to the xenos, and the true scale of the threat they face. Belial, Naaman and their fellow Astartes fight a desperate siege at Kadillus, knowing that they must hold out until Imperial reinforcements arrive or the planet will be lost. (C: 0-1-2)

DAYS OF WONDER

MEMOIR '44
WINTER WARS

MEMOIR '44: WINTER WARS EXPANSION
This new expansion packs everything a soldier could need to fight through the bitter cold battles of the Ardenne Offensive during Christmas 1944. *Winter Wars* includes: 88 winter terrain tiles; 20 Winter Combat cards and 80 new Command cards designed specifically for Breakthrough battles; new Winter Combat rules; and new Troop badges, including the all new Tank Destroyer and Heavy Anti-Tank Gun units, and Late War model versions of an Anti-Tank Gun, Mortar and Machine Gun. These will all be critical to fighting (and winning!) the ten scenarios this booklet contains, all focused on those crucial two weeks of December 1944 in the Ardennes. The first six scenarios included are standard scenarios, playable with a single base game and this expansion (though a Winter/Desert board will provide a more accurate visual effect) The other four scenarios are gigantic Breakthrough renditions of the Battle of the Bulge. These will scenarios will also require a single copy of the already released Eastern Front expansion, and the Breakthrough kit of board maps. (C: 0-1-2)

MANSIONS OF MADNESS BOARD GAME

Mansions of Madness is a macabre board game of horror, insanity, and mystery for 2-5 players! Gather your fellow investigators and unravel the dark mysteries within... before it's too late. Based on the horror fiction of master writer H.P. Lovecraft, *Mansions of Madness* creates an engrossing new narrative every time you play. Each game takes place within a pre-designed story that provides players with a unique map and several combinations of plot threads. These threads affect the monsters that investigators may encounter, the clues they need to find, and which climactic story ending they will ultimately experience. One player takes on the role of the keeper, controlling the monsters and other malicious powers within the story. The other players take on the role of investigators, searching for answers while struggling to survive with their minds intact. Both the engaging plot and the stunning components willdraw you in to a world of cosmic horror. All together, the thirty-two included figures, over 300 cards, over 200 tokens and markers, and nearly 70 puzzle tiles, will help immerse you in a sanity-bending story of terrifying mystery. Do you dare enter the *Mansions of Madness?*

SETTLERS OF CATAN BOARD GAME – 15TH ANNIVERSARY WOOD EDITION

Embark on a quest to settle the fair isle of Catan! This modern classic, an international favorite, has redefined social board games. Now you can create Catan out of wood and enjoy settling and building using specially tooled wooden pieces! Guide your brave settlers to victory by using clever trading and development. Use resources (grain, wool, ore, brick, and lumber) to build roads, settlements, and cities, and buy development cards. Acquire your resources through trades or the role of the dice. But beware! You never know when someone might cut off your road or if the robber will appear and steal your precious gains. Are you the best trader, builder, or settler? The strong, compartmentalized box contains: 52 thick, beautifully illustrated map hexagons, 144 specially designed playing pieces, 6 hexagonal building costs summaries, 2 special victory point markers, 1 vile robber, 2 dice, and 28 random number chits — all made from sturdy wood. The 154 cards, like the hexes, bear fine artwork from Michael Menzel. Enjoy this special, limited production — suitable for travel or your nicest coffee table — with friends or family members for many decades to come. Designed for 3-6 players. (C: 0-1-2)

**PATHFINDER MODULE:
CULT OF THE EBON DESTROYERS**

Now is the time to bring down the Ebon Destroyers! Too long have the secretive Vudran cultists known as the Ebon Destroyers gone unpunished for their crimes of murder and assassination. Too long has the Isle of Jalmeray suffered from their deadly machinations. The Thakur of Jalmeray has outlawed the cult, and received in response an ultimatum stating that if he doesn't revoke his edict, he and his family will die before the month is out! The heroes must locate the Ebon Destroyers' hidden temple headquarters, battle the cult leaders, and save the Thakur himself! *Cult of the Ebon Destroyers* is an adventure for 8th-level chararacters, written for the *Pathfinder RPG* and compatible with the 3.5 edition of the world's oldest RPG. Inside you'll find intrigue and espionage in the slums and palaces of the city of Niswan and a perilous trek through the dense jungle and rugged hills of southern Jalmeray to the depths of a diabolical shrine. PLANET STORIES: HUNT THE SPACE-WITCH! OMNIBUS

(W) Robert Silverberg

Science fiction legend Robert Silverberg reflects on some of his earliest, least-reprinted tales in this new *Planet Stories* collection! Between 1956 and 1958, Silverberg contributed dozens of short stories and novellas to the digest pulps, each written in the bombastic, high-adventure style of the original *Planet Stories* magazine. Since then, those tales have re-appeared only rarely (and sometimes never again) in long out-of-print paperback anthologies. This volume, the first of three to come this year, features seven hard-to-find classic Silverberg novellas: *Slaves of the Star Giants*, *Spawn of the Deadly Sea*, *The Flame and the Hammer*, *The Valley Beyond Time*, *Hunt the Space-Witch!*, *The Silent Invaders*, and *Spacerogue*. Never before collected in a single edition, these stories reveal the early action-packed tales of one of speculative fiction's most important voices! (C: 0-1-2)

GIVE ME THE BRAIN! CARD GAME—3RD EDITION

You think working in a fast-food restaurant is hell? This place is worse! All the employees are zombies (including you). The jobs are repetitive and gross, the customers ask stupid questions, and all the zombies have to share a single brain which they keep dropping on the floor! In this award-winningcard game by James Ernest, all the players are zombies, shuffling and moaning through their horrible jobs. Whoever gets rid of all his jobs first wins. Every turn, you can do a couple of things... and, if you're sneaky, you can also push a job or two onto the other players. The catch? Some jobs actually require a *brain*... and there's only one in the whole restaurant... and the zombies keep *cropping* it! (C: 0-1-2)

From DreamWorks, the studio behind *Shrek*, comes their newest CGI animated sensation! Megamind is the most brilliant super-villain the world has ever known and the least successful. Over the years, he has tried to conquer Metro City in every imaginable way. Each attempt, a colossal failure thanks to the caped superhero known as "Metro Man," until the day Megamind actually defeats him in the throes of one of his botched evil plans. Suddenly, the fate of Metro City is threatened when a new villain arrives and chaos runs rampant, leaving everyone to wonder: Can the world's biggest "mind" actually be the one to save the day? September's best-selling title: WOLVERINE #1.

It's a sad thing to watch when a beloved character goes to hell. But when Wolverine literally goes to Hell — in an all-new first issue too! — then its something to cheer about! Jason Aaron and Renato Guedes take our favorite Canucklehead waaaay down south for some soul-searing adventure in the nether-realms... with his Adamantium-laced body still topside, doing what he does best... to everyone, friends and foes alike! *"What the Hell?"* indeed!

GEEK TREATS, TOO SWEET TO EAT

Thanksgiving is rapidly approaching at the end of this month, and no annual Turkpocalypse would be complete without dessert! Yep! There's nothing better than following up on all of that T-Day turkey and fine fixin's then with a slice-of-pie chaser (and a scoop of ice cream, 'natch). But you know what? We could all do better than mere pie, delicious though it might be.

Sure, we're all about traditions here at ***PREVIEWS***, but we also like to mix things up. And although we would never dream of replacing the traditional holiday turkey with a mock Klingonese roast beast, we won't necessarily rule out changing up our game when it comes to dessert.

Which brings us to this month's fun feature… How Sweet — and Geek! — it is! Read on folks, for the mouth-watering, nerd-tastic desserts that are: ***Geek Treats, Too Sweet to Eat!***

GEEK TREATS, TOO SWEET TO EAT

That's right, we're bringing you a look at the world of nerd baked goods... cakes, cookies, cupcakes and more, all decorated and decked-out to represent some of our favorite fan obsessions!

Who wouldn't want to "EXTERMINATE!" an entire plate of these Whovian marvels?! These were created for the birthday party of a *Doctor Who* fan, and you can tell that some *time* was put into their creation!

Wolverine's the best there is at what he does, and apparently Brian from Sweet Karma Desserts also shares the same claim to fame with his Wolverine Bust Cake! "Snikt?" *Snackt!*

Featuring a colorful image of the classic *Legion of Super-Heroes* members on its surface, this one goes in the "win" column for sheer number of characters crammed onto one cake!

This extremely well done cake looks like it could take a bite out of someone before they had a chance to cut themselves a slice... gotta love those teeth!

From edible lightsabers to Darth Vader's signature helmet, these *Sith*fully delicious cupcakes are fit for an Emperor... or *Star Wars* fan!

Sweet Pudgy Panda©
HAPPY 5th BIRTH
MATTHEW

Created by the amazingly talented "Sweet Pudgy Panda", this astounding Batman & Robin cake was created for a young lad on his 5th birthday… From the bat-signal and various bats to the hand-crafted Caped Crusaders, this one truly was almost too sweet to eat!

One can almost imagine these *Space Invaders* cookies slowly marching out of oven… dum, dum, dum, dum, dum, dum… our plate is the reinforced bunker, our glass of milk the laser which destroys them. *Yum!*

These Zombie Cupcakes each feature a pudgy dough-hand reaching out of a green coconut "grave". Ironically, they're all 100% vegan…

This was but a small sampling of some of our favorite nerd baked goods to be found out there on the wild, wild Interwebs. First and foremost, we hope they gave some of you creative-types a nudge to try your hand at creating some baked coolness for yourselves. Or at least made you hungry! If the D.I.Y. spirit hits you, why not send us some photos/recipes of your works to *editor@previewsworld.com*… and look to ***PREVIEWS*****world.com** for recipes, how-to tips and more!
